Data sheet 3ZS1633-1XE51-0YA0

PCS 7 block library for soft starter 3RW5 V9.1 Engineering AS blocks and faceplates for integration of soft starters 3RW5 in the process control system PCS 7 with APL for the PCS 7 version V9.1 engineering software for an engineering station (Single License) including runtime software Floating License for 1 user only license without software without documentation license key download, class A email address essential

General technical data		
software version		V 9.1
product description		engineering software for 3RW55 and 3RW52, software download, AS blocks and faceplates for integration into the SIMATIC PCS 7 process control system with Advanced Process Library
national language of the software		german / english
design of the product		Engineering Software
product license		Single License for 1 engineering station, Single License for 1 automation system
software class		A
target system		SIMATIC PCS 7, SIRIUS Soft Starter 3RW55 and 3RW52
Features		
product component component library		Yes
● product function diagnostics function		Yes
● product function controlled positioning		No
● product function simulation function		No
● product function technological function		Yes
● product function analysis function		No
● product function movement function		No
● product function data acquisition function		Yes
● product function commissioning function		No
● product function communication function		Yes
● product function project planning function		Yes
● Product function maintenance function		No
● product function evaluation function		No
● product function parameterizing function		No
Requirements		
design of the drive/storage medium required		
● CD-ROM		Yes
● floppy disk		No
● DVD drive		No
Graphics card		
Software		
operating system required		SIMATIC PCS 7 V 9.1
browser software required		no
viewer software required		no
Certificates/ approvals		
General Product Ap-	**other**
