Data sheet 3ZS1635-1XE04-0YA0

AS-Interface block library for SIMATIC PCS 7 Version V9.1 with APL. Engineering Software V9.1 for one engineering station (single license) including runtime software for execution of the AS blocks in an automation system (single license). German/English. 1 license engineering station, 1 license automation system AS blocks and faceplates for PCS 7 Version V9.1 supports CM AS-i master ST (ET 200SP), CP 343-2, CP 343-2P, type of delivery: OSD email address is required

General technical data		
product license		Single License for 1 installation
software class		A
software version		V 9.1
design of the product		Standard Version
target system		SIMATIC PCS 7
national language of the software		german / english
vertical image resolution of the graphics card	pixel	768
horizontal image resolution of the graphics card	pixel	1 024
browser software required		no
● product function parameterizing function		No
● product function movement function		No
● product function simulation function		No
● product function controlled positioning		No
● product function technological function		No
● product function evaluation function		No
● product function project planning function		Yes
● Product function maintenance function		Yes
● product function communication function		Yes
● product function diagnostics function		Yes
● product function data acquisition function		No
● product function analysis function		No
● product function commissioning function		No
product component component library		Yes
viewer software required		no
operating system required		see SIMATIC PCS 7
storage capacity of the main memory or RAM minimum	Mbyte	512
design of the drive/storage medium required		
● floppy disk		No
● DVD drive		No
● CD-ROM		No
product feature upgradable/retrofittable component library		No

Certificates/ approvals	
General Product Approval	**other**
