

SICAM PQ Analyzer V3 download, software, documentation and license(s) for download. specification of an e-mail address (goods recipient) for delivery is absolutely required. version upgrade

General technical data	
target system	SICAM PQS
national language / of the software	German / English
Product details	
product description	power quality analyzer software
Model	
product designation	SICAM PQ Analyzer
product license	no license
product version	version upgrade to SICAM PQ Analyzer V3
Power Quality functions	
power quality assessment function / incident explorer, event viewer, fault event viewer	Yes
power quality assessment function / PQ Explorer	No
power quality assessment function / PQ Explorer via Report Browser	No
power quality assessment function / PQ Inspector	No
Product Functions	
user interface info texts can be translated into any national language	Yes
Unicode support for process data	Yes
diagnostics function	Yes
analysis function	Yes
project planning function	No
evaluation function	Yes
parameterizing function	No
evaluation of fault records	Yes
fault location (with regard to fault records)	Yes
Display and operation	
horizontal image resolution / of the graphics card	1 280 pixel
vertical image resolution / of the graphics card	1 024 pixel
Requirements	
number of colors / of the graphics card	65 536
design of the drive/storage medium / required / DVD drive	No
operating system / usable / Windows 7	Yes
operating system / usable / Windows 10	Yes
operating system / usable / Windows 2012 Server	Yes
operating system / usable / Windows 2016 Server	Yes
operating system / usable / Windows Server 2019	Yes
processor clock frequency / minimum	2 GHz
viewer software / required	SIGRA for extended fault-record analysis as an option
storage capacity / on hard disk / required	100 Gbyte
storage capacity / of the main memory or RAM / minimum	16 Gbyte
Cybersecurity	
type of access control / role-based access control (RBAC)	Yes
product function / firmware identifier	Yes
cyber security / secure communication	Yes
cyber security / data integrity	Yes
Further information	
Siemens is working on the renewal of the current EAC certificates.	

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
